

Benchmarking in Forest Research Institutions

**By Mario F. Broggi
WSL Birmensdorf
Switzerland**

Key question

Is my institution fit for future challenges?

**Compare yourself with the
best peer!**

Benchmarking process

1 What shall be compared?

Benchmarking process

- 1 What shall be compared?
- 2 Do you know your core processes?

Benchmarking process

- 1 What shall be compared?
- 2 Do you know your core processes?
- 3 **Understand the respective processes of the benchmarking partner;**

Benchmarking process

- 1 What shall be compared?
- 2 Do you know your core processes?
- 3 Understand the respective processes of the benchmarking partner;
- 4 **Compare the factors;**

Benchmarking process

- 1 What shall be compared?
- 2 Do you know your core processes?
- 3 Understand the respective processes of the benchmarking partner;
- 4 Compare the factors;
- 5 **How to get the class winner?**

Benchmarking process

- 1 What shall be compared?
- 2 Do you know your core processes?
- 3 Understand the respective processes of the benchmarking partner;
- 4 Compare the factors;
- 5 How to get the class winner?
- 6 Implementation and monitoring.**

Summary

Benchmarking ...

... is a process to compare yourself with peers;

Summary

Benchmarking ...

... is a process to compare yourself with peers;

... is an open discussion between partners;

Summary
